# LAMINATE & WOOD FLOOR CLEANER

## Description

*A non-flammable, non-abrasive, mild, organic cleaner for the safe and effective removal of grease, oil, grime, marks and general domestic soiling from all treated laminate and solid wood surfaces.*

## Application

1. Shake well before use.
2. Spray the affected area, then using a clean, dry, non-staining, soft cloth rub the surface clean.
3. For very soiled, engrained or stubborn marks repeat if necessary.
4. Buff to a clean finish.

**Note:** this product takes up to 7 days to give maximum protection. As all surfaces differ, it is recommended that this product is tested on a small inconspicuous area to determine suitability for use. It is the users responsibility to determine suitability.

## Storage Conditions

Non flammable, store upright in the original container in cool, dry conditions between +5°C and +30°C. Protect from frost, do not freeze.

## Shelf Life

12 months when stored according to manufacturers instructions.

## Disposal of Containers

Do not leave empty containers where residue could be harmful to children, animals or the environment. Replace lids and remove any containers to a central disposal point in accordance with local regulations.

## Health & Safety

- ◆ Product presents a low hazard in correct use.
- ◆ Avoid eye contact. In the event of contact irrigate eyes immediately with plenty of cold,

clean water for 15 minutes and seek medical attention.

- ◆ Do not ingest. In the event of ingestion, do not induce vomiting, drink plenty of water and seek medical attention.
- ◆ Thoroughly wash hands with soap and water after use.
- ◆ Keep out of reach of children.
- ◆ Some people are more sensitive to chemical products than others. If irritation occurs discontinue use.
- ◆ See separate material safety data sheet for full handling, use and storage.

## Specification Summary

Appearance	Opaque / white Liquid
Odour	Citrus
Flammability	Non flammable
Boiling Point	approx 100°C
Density	0.99g/ml
Minimum Application Temp.	+5°C

## Container Sizes

Code:	BDC010
Size:	500ml
Barcode:	5060021368867

*The data presented in this leaflet are in accordance with the present state of our knowledge, but do not absolve the user from carefully checking all supplies immediately on receipt. We reserve the right to alter product constants within the scope of technical progress or new developments. The recommendations made in this leaflet should be checked by preliminary trials because of conditions during processing over which we have no control, especially where other companies raw materials are also being used. The recommendations do not absolve the user from the obligation of investigating the possibility of infringement of third parties rights and, if necessary clarifying the position. Recommendations for use do not constitute a warranty, either expressed or implied, of the fitness or suitability of the products for a particular purpose.*
