

DRIVE ALIVE OIL STAIN REMOVER

Description

An oil ingesting solution for removing unsightly oil and grease stains from tarmac and concrete.

- Simply pour, allow to dry and brush away.
- VOC free formulation.
- Bio-degradable.

Uses

Excellent for oil and grease lifting from porous surfaces, such as pavements, slabs, drives, pathways and patios. Great for oil leaks from cars or grease spots from bar-b-qs.

Preparation

Brush away any loose dirt and debris prior to application. Ensure the area to be treated is thoroughly dry.

Application

Shake well before use. Pour **DRIVE ALIVE OIL STAIN REMOVER** on to the oil or grease stain, ensuring the stain is completely covered. Simply leave until totally dry (minimum 3-4 hours). Cold or humid conditions will slow drying times. Once dried, the area should be swept with a stiff broom to remove the dried product. Hose down the treated area to ensure all powder residue is completely removed. For oil spills covering a larger area, **OIL STAIN REMOVER** can be diluted 1:1 with water. depending on the size of the area, a brush may be required to spread product. A second application may also be necessary.

Limitations

Do not apply to wet or damp surfaces. Do not use if rain is imminent (protect from rain until dry). Do not use at temperatures below 5°C or above 30°C.

Storage Conditions

Store in cool, dry conditions in a sealed container. Store between 5°C and 30°C. Protect from frost.

Shelf Life

12 months when stored according to manufacturers instructions.

Coverage

1m² per 1L.

Disposal of Containers

Do not leave empty containers where residue could be harmful to children, animals or the environment. Replace lids and remove any containers to a central disposal point in accordance with local regulations or send for recycling.

Health & Safety

- ◆ Irritating to eyes and skin. Wear plastic gloves during application.
- ◆ Alkaline product, avoid contact with skin and eyes. If product enters eyes wash immediately with plenty of cold water and seek medical attention.
- ◆ Wash any splashes off skin immediately with soap and water.
- ◆ Do not ingest. In the event of ingestion do not induce vomiting - drink plenty of water and seek medical advice.
- ◆ Keep out of reach of children and pets.
- ◆ Some people are more sensitive to chemical products than others. If irritation occurs discontinue use and seek medical advice if symptoms persist..
- ◆ See separate material safety data sheet for full handling, use and storage.

Specification Summary

Appearance	White/ opaque liquid
Solubility In Water	Soluble
Specific Gravity	1.05g/ml
Flammability	Non flammable

Container Sizes

Code:	BDOSR1
Size:	1L
Barcode:	5060021367297
